CLASS 3

Khan Abdullah came into the station to report that he recently received paperwork for a civil suit in the United States District Court for the Central District of California. Khan stated that the suit alleges he has companies that are registered to his residential address where he resides with his parents. He stated that the companies in the suit are not his. He requested that PD investigate this. I informed him that PD does not investigate or assist with civil matters. I advised him that he should consider reaching out to a private attorney for assistance.

No other actions.
